**Sub : Revised tariff on certain T&C HS lines under expanded India
Chile PTA**

Dear Member,

As you may be aware the agreement on India Chile Preferential Trade Agreement (PTA), which was signed on March 8, 2006, has been expanded and the expanded India-Chile PTA came into force with effect from 16th May 2017 in India and Chile.

Under the expanded PTA, Chile has offered concessions to India on 1798 tariff lines (of which 328 HS lines are under textiles and clothing) with Margin of Preference (MoP) ranging from 30% - 100% at 8 digit level as per HS 2012. Based on the revised MoP offered by Chilean side, the tariff rates on certain HS lines have also accordingly changed.

Kindly [click here](#) for the revised tariff on T&C HS lines as per the expanded list under the India Chile PTA.

Members are advised to take note of the revised tariff rates and may kindly contact Mr. Shailesh Martis of the Council for any clarifications on shailesh@texprocil.org.

Regards,

Dr. Siddhartha Rajagopal
