Circular No.EPS/67/2018-19

To: Members of the Council

**Sub: MEIS - Mandatory recording of information on DGFT website
about transfer**

Dear Member,

DGFT has issued Trade Notice No.42 / 2015-2020 dated January 11, 2019 making it mandatory for MEIS holders to record the transfer details of MEIS scrips issued on or after January 14, 2019 for EDI ports. As per the said Trade Notice, the information about the new owner (transferee) has to be recorded on the DGFT website by the current owner (transferor) before the new owner (transferee) utilize the scrip. It is important for both transferor and the transferee to ensure that information regarding transfer is recorded by the transferor.

Please note that "transfer" information cannot be reversed and the MEIS transferor had to exercise due caution before recording any transfer information in the system.

Also please note that applicants will continue to apply for MEIS as per current procedure on DGFT website and the Regional Authorities will continue to issue the MEIS scrips on security paper for use by the exporters till it is decided to discontinue the issue in physical form.

A copy of Trade Notice No. 42/2015-2020 is enclosed herewith ([click here](#)) for your information.

For any clarification in this regard, please get in touch with Shri A.Ravi Kumar,

Joint Director, TEXPROCIL.
