**Sub: Opportunity for fabric export to USA in view of recent hike in tariff on import from China into USA**

**Dear Member,**

With reference to recent hike in tariff by 25% on import of Textiles under HS Chapters 50 to 60, from China into USA, there is a vast scope for increasing export of all types of fabrics from India to USA.

In this regard, please see attached following data analysis:

1. HS Chapter 50 to 60 (2 digit level) import of T & C into USA from all sources viz-a-viz from China and India ([Click here](#))
2. Trade in Top 25 HS lines of Cotton Fabrics imported into USA in which there is a vast scope to increase India's export ([Click here](#))
3. Trade in Top 25 HS lines of MMF Fabrics (staple fibre) imported into USA in which there is a scope to increase India's export ([Click here](#))
4. List of textile HS lines (at 8 digit level) on which USA has imposed 25% additional tariff for import from China. ([Click here](#))

Hope this data analysis is useful to you. For further details / analysis in this regard, kindly contact Mr. N. Ravindranathan, Director, e-mail:
