**E-Serve No.: 92 of 2019 | Date: August 03, 2019**

**Sub.: Placement Opportunity in Japan as SEWING / STITCHING under Technical Intern Training Program**

**Dear Member,**

This is to inform you that the Indian and Japanese Government had signed an MoU in Novemeber, 2017 for sending Indian workers to JAPAN on a 3-5 year visa for Technical Intern Training Program (TITP) - JAPAN.

ASSOCHAM is a duly Empaneled Sending Organization by National Skill Development Corporation (NSDC), Ministry of Skills and Entrepreneurship - Government of INDIA for counseling, training and sending aspirants form Indian to JAPAN under Technical Intern Training Program (TITP).

TITP – JAPAN is a 3-5 years on the job training in Japan to learn advanced skills for basic jobs which Japan has mastered over the years. Trainees will earn at least minimum wages of Japan during the entire training period in Japan. The aim of the program is to transfer skills which Japan has to other countries by training candidates from overseas countries.

About 80 Job categories are open currently to pursue TITP in JAPAN. There are immediate requirements for Sewing / Stitching jobs and interviews can happen within this month post your confirmation.

1. Successful candidates will be earning about JPY 900/hour or JPY 1,58,400/month equivalent to INR 1,02,960/ month during the training period which is enhancable on

performance basis during these 3 to 5 years in Japan. Even higher starting salaries are also possible depending upon the profile and performance of candidates during the interaction with Japanese employers.

2. Post 3-5 year of trainings candidates can be considered for further extension and can get a work permit for further stay depending upon their interest and performance during training period.
3. Apart from salary, accommodation and additional compensation for extra working hours @ 125% of basic rate may be provided.
4. To pursue this program candidate should have basic qualification of 10+2 Pass along with necessary recognized certification of SEWING / STITCHING.
5. Interested candidates will be required to undergo requisite JAPANESE Language Course for 3 to 4 months and acquire JLPT N5 level language proficiency.
6. Candidates undergoing Japanese language training will get provisional appointment letter with detailed employment terms and conditions from Japanese employer \*post 3 months of Japanese language training.
7. Provisional offer letter will include detailed information and terms and condition of their employment including salary, working hours, location, leaves etc. Post Japanese language certification for passing N5, candidates visa will be processed.
8. Interested Candidates will have to bear expenses towards training and placement assistance of Rs.2,10,000 +GST if applicable with break up as stipulated below:

- Registration – 15000/- + GST if applicable (refundable in case of no placement)
- Language Training – 25,000/- GST if applicable (to be paid in 2-4 installments)
- On passing N4 Level and start of Visa Process - 50,000 GST if applicable
- On receipt of Visa related documents from JAPANESE Employer (Eligibility Letter)- 70,000/- GST if applicable
- On Visa & Air Ticket – 50,000/- GST if applicable

Above expenses are inclusive of one way Air Ticket, Visa Cost and their monitoring and assistance in JAPAN during the entire training period of 3- 5 years.

Any government fees/ NSDC charges if levied will be directly borne by the candidates. GST extra if applicable

We believe it's a golden opportunity for INDIAN job seekers to learn skills from JAPANESE as well as earn a attractive monetary compensation. These people who return after completion of training will be a great asset for our country for

benchmarking latest skills in INDIA enabling brighter job opportunities for them in INDIA and abroad.

In case candidate is not inclined or considered for further continuation in JAPAN, ASSOCHAM will render placement assistance to the candidates.
