Sub.: Maharashtra - Online Portal for Self Certification/Permission for Industries

Dear Member,

Government of Maharashtra, as a step to alleviate the impact of COVID-19 on industries in the state, has now partially operationalized a new web application (<http://permission.midcindia.org/>) for self-certification of factories under lock-in conditions.

Companies can register on the system to apply for self-certification. In addition, the submission of Self-certification form will be operational soon as well.

A copy of email dated 20/4/2020 received from the Government of Maharashtra is enclosed herewith ([click here](#)).

You are requested to please take a note of the above and do the needful.

Regards,

Dr. Siddhartha Rajagopal

Executive Director
