Sub.: COVID 19 related issues in export to USA

Dear Member,

In reference to COVID 19 pandemic, Indian Embassy in the US has been requested by the Ministry of Textiles to reach out to the importers and buying houses in the US assuring them of the ability and commitment by the Indian textile industries to supply textile and apparel products, post-travel restrictions, of all the orders already placed and their ability to supply other products.

To enable the Mission to discuss the matter with relevant association/body in the US, we request Members to inform us issues, if any, with the importers in the USA regarding renegotiation / cancellation of orders / deferment of shipments etc

In addition, if you wish to focus on any particular major buyers and buying houses of Indian textiles in the US, kindly provide coordinates of such importers so that the Indian Mission can initiate communication with the American companies for increasing thier sourcing requirement from India.

We request you to kindly reply with required details latest by Saturday, 25th April 2020 to ravi@texprocil.org.

Regards,

Dr.Siddhartha Rajagopal
Executive Director
