Dear Member,

The Textile Association of India (TAI) and DFU Publications are organising the **Global Textile Forum (GTF)** on rescheduled dates, **September 20 – 21, 2019** at **Radisson Blu, Dhaka, Bangladesh**. The theme of the Global Textile Forum is **“Bangladesh: Vision 2022 – Gearing up for New Generation Textiles”**.

Confederation of Indian Textile Industry (CITI) is the Principal Associate of the Global Textile Forum. The Forum is being supported by all leading Bangladesh trade bodies including Federation of Bangladesh Chambers of Commerce and Industries (FBCCI), Bangladesh Cotton Association (BCA), Bangladesh Garment Manufacturers & Exporters Association (BGMEA), Bangladesh Knitwear Manufacturers & Exporters Association (BKMEA) and Bangladesh Indenting Agents’ Association (BIAA).

The maiden event is slated to take the business and trade relations with Bangladesh to the next level. The event is likely to be inaugurated by Hon’ble Prime Minister of Bangladesh, Ms. Sheikh Hasina Wazed.

The Two-day long Global Textile Forum will witness participation of over 500 eminent decision makers from all the sub-sectors/ sub-sets within the textiles and clothing space (T&C) being strongly driven by leading Brands & Garment manufacturers in the entire value chain.

Global Textile Forum is an initiative to promote region’s textile and garment industry through Collaborative efforts. Asia in textiles and garments is the key manufacturing centre for the world and is bound to grow much bigger in times to come. The forum as a platform would bring buyers/sellers and the stakeholders to facilitate

opportunities to discuss all the subjects like policies, trade treaties, co-operations and logistics effectiveness, in addition to the many pertinent concerns of the buyers and suppliers.

Bangladesh shares a unique relationship with India, going much beyond geographical and cultural closeness. India is one of the largest raw materials like fibre, yarns technology, dyes & chemical suppliers to Bangladesh. And now Bangladesh looks at India as one big market for garments for Indian brands and retailers. The forum helps bringing the two countries closer to conduct both way business through conference, exhibition and sector specific B2B Meetings.
