Sub.: eAPTA certificates - Customs clearance issues at Chinese ports

Dear Member,

In view of the movement restrictions in place due to COVID-19 pandemic in India, as per Notification dated 7th April 2020 issued by DGFT, the designated agencies are issuing only digitally signed electronic APTA certificates for export to China and NO hard copy of the same is being provided during the lockdown period.

However, we understand that Customs authority at Chinese ports are not accepting such eAPTA certificates for clearance of import cargo and demanding original certificates duly signed and stamped by issuing authority.

This issue has been taken up with Indian Missions in China.

If you are facing such problems, to speed-up clearance of individual cases, kindly provide copies of e-APTA certificates alongwith individual summary statements as per attached format ([click here](#)) to ravi@texprocil.org so as to take up the matter suitably.

Regards,

Dr.Siddhartha Rajagopal
Executive Director
