**Sub: Invitation to Display Samples in the Textiles Fair in South Korea -  
Preview In Seoul 2018, September 5-7, 2018**

**Dear Member,**

We are glad to inform you that the Council will be participating in "Preview in Seoul" -2018 to be held in South Korea from September 5-7, 2018.

"Preview In Seoul" is an established trade fair which takes place every year. The industry sectors covered in this fair are textiles (including yarn), home textiles and fabrics. The fair has over the years gained a reputation and attracts a large number of buyers from South Korea as well as from other Countries. The event is widely publicized and this year also it will accommodate a large number of exhibitors.

**Invitation for Display of Samples in TEXPROCIL booth.**

During the exhibition, the Council will be displaying the samples of its members in its booth. The enquiries received from the visitors / buyers will be forwarded to the Companies who display their products.

In this regard, also please note the following facts regarding the textiles market in South Korea:

1. Under the Indo - Korea FTA, there is zero duty on import of fabrics, made

- ups, home textiles and garments from India, thereby, offering greater market access for Indian Textiles into the South Korean market.
2. South Korea is an evolved retail market consisting of departmental stores, supermarkets, hypermarkets and convenience stores.
  3. Buyers of Home textiles products, fabrics and yarn in South Korea are interested in high quality products at competitive prices.
  4. The South Koreans are looking forward to shift their focus from China to India as a sourcing destination.

We invite you to display your products at the Council's booth which has got good potential to generate export orders as a large number of buyers normally visit this fair. Along with the samples you can also send us your visiting cards, brochures or any other promotional material.

**Fees for Display:**
