To: Members of the Council

**Sub.: Inviting participation in "B2B meetings at Dhaka & Chittagong", Bangladesh during 29 February to 1st March 2020**

**Dear Member,**

To coincide group participation being organised by the Council at '17th Dhaka International Yarn & Fabric Show 2020 (17th DIFS 2020)', Dhaka from 26 - 29 (Wednesday - Saturday) February, 2020, it has been proposed to organise B2B meetings with leading Members of BGMEA & BKMEA who are interested to source imported fabrics & yarn for their consumption in manufacturing garments for export.

In the year 2018-19 Bangladesh imported US\$ 8,044 Mn worth of fabrics (of all fibres), of which import of cotton fabrics was valued at US\$ 4,015 Mn. Of the total import of cotton fabrics, import from India was only US\$ 503 Mn (13 %) there by offering a vast scope to increase India's market share provided consistent marketing efforts are undertaken on a continuous basis.

During the year 2018-19, Bangladesh imported US\$ 1063 Mn worth of cotton yarns (325 Mn Kgs), of which import from India was US\$ 738 Mn (224 Mn Kgs). India's share was 69% in value terms and 69 % in quantity terms. Even though India is the largest supplier of cotton yarns to Bangladesh, there is a scope to further increase the market share.
