Smt. Smriti Zubin Irani, Hon'ble Minister of Textiles and Women & Child Development (2nd from Left) being welcomed at TEXPROCIL Export Awards function held in Mumbai on January 16, 2020 by Dr K V Srinivasan, Chairman, TEXPROCIL (extreme Left) along with Shri Manoj Patodia, Vice Chairman, TEXPROCIL (2nd from Right) and Dr. Siddhartha Rajagopal, Executive Director, TEXPROCIL (extreme right).

CHAIRMAN'S MESSAGE

Dear Friends,

The journey into the New Year and especially the arrival of a new decade with it, presents fresh opportunities for reflection, stock - taking & setting of new goals.

Even though the current rate of GDP growth in India indicates a slow- down in the economy, the rising aspirations of a multitude of Indian businesses to achieve high income growth remains unabated.

The current deceleration in growth is seen across other economies as well & is expected to moderate this year i.e. 2020. This recovery is expected to be mostly driven by emerging and developing economies including India.

Expectations are thus high regarding policy initiatives for improving competitiveness in

the various manufacturing sectors especially in the textiles & clothing industry which has the ability to create a vast number of additional jobs.

A new textile policy, speedy clearance of pending claims under the TUFs, implementation of the RODTEP Scheme across the entire textile value chain, simplification of GST procedures are a few initiatives to look forward to in the new year.

Friends, this edition of the E-newsletter is a combined issue spanning the last two fortnights and highlights the Council's participation in Heimtextil, Germany which is the first major event held at the beginning of each year for Home -Textiles.

Closer home, the Council held it's prestigious Export Award function, recognising the excellent export performance by our members.

Recent Announcements

As the New Year commenced, the Government issued the much awaited clarification regarding the simultaneous availment of higher ROSCTL & enhanced MEIS scheme by exporters of Garments & Madeups. While the notification issued on 14th January ends the 11 months uncertainty, withdrawal of MEIS entitlement from March 7, 2019 (the date on which ROSCTL was announced) has come as a rude shock to the trade & industry.

Clawing back of MEIS claims already settled from March to July (after which MEIS applications were not being accepted by DGFT) is an onerous task as is the work relating to adjusting these claims within the overall limits of the ROSCTL Rate. The withdrawal of MEIS with retrospective affect also poses challenges to exporters as they have realised the amounts, received the export benefit and also paid tax on the receivables. Many Companies will suffer cash losses.

## CHAIRMAN'S MESSAGE

CONTINUED FROM PAGE 1

The Council on its part has taken up the matter with the Ministries of Textiles, Commerce & also Finance. We are pleading with the Government to make the notification take effect prospectively & not retrospectively. A positive development at the commencement of the new year was the welcome extension by the DGFT of time frame to submit requests for block wise extension in the export obligation and also for submission of installation certificates under the EPCG scheme until March 31, 2020. vide Public Notice No. 55 / 2015 -20 dated January 3, 2020. The Council has advised its members to take note of the same and act upon it accordingly.

### TEXPROCIL Annual Export Awards Function

The Council held its annual export award event on 16th January 2020 at the prestigious ballroom venue of Hotel ITC Grand Central, Mumbai. Smt Smriti Zubin Irani, Hon'ble Minister of Textiles and Women & Child Development felicitated all the awardees.

The Honb'le Minister stated that she was happy to see the good

work of exports being passed on from generation to generation and further progress can be made with the support from the banking sector. She also commended the Council for honouring export firms in the SME sector and for generating highest employment including women employees.

Earlier, in my welcome address, I appreciated the efforts being made by the Honb'le Minister to resolve various issues affecting our export sector & requested her to ensure that taxes/ duties paid by each segment of the textile value chain is reimbursed under the newly announced RODTEP Scheme.

Mr. Manoj Patodia, our Vice Chairman proposed a Vote of Thanks.

### HEIMTEXTIL 2020

The Council participated in the 50th edition of Heimtextil 2020 held in Frankfurt, Germany from January 7-10, 2020. With 405 companies, India was the second largest participant at the fair. The Council participated with 20 exporters.

The response at the Fair was subdued as the industry across the world is currently facing huge challenges. Many of those taking part at Heimtextil have really felt this.

The Council's booth served as an information centre to a large number of buyers visiting the fair. The enquiries received at Council's booth are being compiled for dissemination among all the members.

### Way forward

Friends, as the New Year has begun we remain hopeful for a better trading environment with demand picking up in leading markets. If the Government refunds the incidence of state and central levies as envisaged under its proposed RODTEP Scheme across the value chain it will go a long way in boosting our exports. There is a need to consider the textile value chain as an integrated continuum in order to reap the benefits of our presence in the entire textile chain unlike many other countries.

A fresh approach to resolving the issues confronting an old industry like TEXTILES would be a fine way of commencing our journey into the new decade.

TEXPROCIL EXPORT AWARDS  
2018-2019

Smt Smriti Zubin Irani, Hon'ble Minister of Textiles and Women & Child Development (centre) and TEXPROCIL Officials pose along with Winners of TEXPROCIL Export Awards 2018-2019, at the grand award function held at ITC Hotel Grand, Mumbai on January 16, 2020.

TEXPROCIL, the first Export Promotion Council set up in India in the year 1954, and responsible for promoting exports of cotton textile celebrated the achievements of its member exporters at the Annual Awards function held at the ITC Hotel Grand on January 16, 2020.

Every year the Council recognizes the role played by exporters by giving out awards in different categories. This year the Council distributed fifty eight awards in thirty two different categories, including the coveted Platinum trophy for the highest global exports. Recognising the role played by MSME units in India and given that the growth of MSMEs is one of the many thrust areas of the government, Texprocil also added an Award for the highest employment generated by MSME units this year.

Smt. Smriti Zubin Irani, Hon'ble Minister of Textiles and Women and Child Development, was the Chief Guest at the event.

While congratulating the Award winners, Dr K V Srinivasan, Chairman, Texprocil in his opening remarks stated that the exports of textiles & clothing were severely affected by the global situations like the trade conflict of US with China, EU's struggle with Brexit, the growing geo-political tensions in the Middle East and the removal of GSP benefits to India by US.

In the backdrop of these challenges the Chairman thanked

the government for taking the initiative in recognising the incidence of state and central tax levies and their impact on the competitiveness of exported textile goods by announcing the new Scheme of the Remission of Duties or Taxes on Export Products i.e. RoDTEP, which he hoped will address the issues of duties and taxes suffered by the entire value chain.

The Chairman also lauded the Hon'ble Minister for her personal efforts to get the Gazette Notification of March 7, 2019, announcing RoSCTL for Garments & Made-ups implemented vide Notification dated 14 January 2020.

Dr Srinivasan also requested the Hon'ble Minister to consider the cotton textiles sector as a value chain in continuum mentioning that any attempt to selectively grant incentives to certain segments of the value chain leads to unintended distortions and consequences. A case in point is the systematic exclusion of cotton yarn from the package of incentives since 2014, he added. He further reiterated that Cotton yarn also bears the same incidence of state and central levies as in the case

of made ups and garments. He said that cotton yarn should be covered under the RoSCTL scheme and the MEIS and should also be covered under the 3% Interest Equalization scheme.

The Chairman finally concluded by thanking the Hon'ble Minister for her personal intervention in various matters relating to the progress and growth of the industry.

The General Manager (SME), State Bank of India Shri S Kalyanram then addressed the gathering on the significance and importance of the relationship between the banks and the exporters and highlighted the facilities provided for MSMEs.

The Chief Guest, Smt Smriti Zubin Irani then distributed the Texprocil Awards.

In her address, the Hon'ble Minister said that with the growth of textile industry lies the growth of India and also thanked SBI for being part of the ceremony and supporting the industry as bankers play an important role in textile and clothing exports. She said that the textile industry has made India proud through its achievements only because of the commitment and

dedication of the current and earlier generations.

The Hon'ble Minister was also in agreement with the many issues pointed out by the Chairman Texprocil in his welcome address.

Coming to the cotton procurement and auction process, the Minister promised speedy resolutions in honouring commitments and selling the fibre at competitive prices rather than being purchased and then stocked by CCI.

Ms Irani also assured the industry that she will continue to pursue in bringing the hank yarn obligation down further from the current percentage of production.

The Minister also mentioned that in the new Mission on Cotton she will explore ways of replicating the success of CDRA which is presently benefiting about 170,000 farmers. She said that the industry should make farmers partners and along with gainful employment for women the sector should look at quadrupling its exports and assured that the Ministry will also stand shoulder to shoulder with the industry in these efforts.

Smt Irani requested the Chairman Texprocil to handhold small companies and take them along so that they may reach the level of a medium sized companies.

Finally appreciating the efforts of Texprocil for leading from the front she requested CCI, Texprocil and the Skill Development Ministry to come together and prepare a paper on mechanizing the cotton picking methods to reduce contamination and assured the full support of the Ministry of Textiles towards this effort.

Mr Manoj Patodia, Vice Chairman of Texprocil then proposed a Vote of Thanks.
