

E-Serve No.: 201 of 2025 | Date: November 14, 2025

Sub: Invitation to explore warehousing opportunities at Bharat Mart, Dubai

Dear Member,

This is to inform you that the Government of India, in collaboration with DP World, is developing a major new international marketplace—Bharat Mart—at the Jebel Ali Free Zone (JAFZA) in Dubai. This state-of-the-art facility will serve as a dedicated distribution hub designed to significantly enhance the global reach of Indian products.

Bharat Mart will serve as a large-scale marketplace and logistics centre for Indian products, enabling easier access to global buyers and smoother distribution to international markets. It is located in the Jebel Ali Free Zone (JAFZA), Dubai—a strategic logistics hub operated by DP World. The Phase I will cover 1.3 million sq. ft., expanding to 2.7 million sq. ft. upon full completion and it is expected to strengthen India's export presence across the Middle East, Europe, and Africa providing cost-efficient warehousing, faster delivery timelines, and improved supply chain efficiency.

In this context, member exporters interested in setting up warehousing or distribution operations within Bharat Mart may kindly fill the DP World questionnaire here <https://forms.office.com/r/whN4madTaA>. The information collected through this questionnaire will be crucial in the transparent and effective allocation of space, whether for showrooms, warehouses, or both, and will form a core part of the evaluation and selection process.

For further details, you may refer to the DP World website <https://www.dpworld.com/en/supply-chain-solutions/economic-zones/bharat-mart#faq>

Regards,

Dr. Siddhartha Rajagopal
Executive Director
