Dear Member,

This is to inform you that DGFT has issued Trade Notice No. 28/2025-26 dated 20th February 2026 ([copy enclosed](#)) announcing the launch of the Facilitating Logistics, Overseas Warehousing & Fulfilment (FLOW) initiative under the Export Promotion Mission (EPM) – NIRYAT DISHA.

Objective of the Initiative

The FLOW intervention aims to mitigate logistics-related constraints faced by MSMEs involved in international value chains and facilitate:

- Improved delivery efficiency
- Reduced logistics costs
- Enhanced market responsiveness in overseas markets

Scope of Support

The initiative will support:

- Overseas logistics and warehousing
- Fulfilment infrastructure
- Market-facing infrastructure for distribution in foreign markets

This includes creation of or access to overseas facilities for:

- Storage
- Distribution
- Display
- Fulfilment of goods

Key Features

- Support for overseas logistics, warehousing, fulfilment, and market access infrastructure

- Pilot implementation with immediate effect
- Assistance primarily for rental, operational, and fulfilment costs (excluding capex)
- Support period: up to 3 years

Implementation Framework

- Detailed Policy Framework, Operational Guidelines, and Governance Structure are provided in Annexures I to III of the Trade Notice.
- The initiative will be implemented on a **pilot basis** for feedback and refinement.
- Application procedures are provided in Annexure IV.

Application Process

Applications may be submitted through the online form: <https://forms.gle/4ztM5khT1WZxJudE9> (Valid until further notice)
