Sub: Trade enquiry from a Latvian Buyer for Cotton Fabrics

Dear Member,

The Council has received a trade enquiry from a Latvian Buyer for Cotton Fabrics.

The buyer is in a family-owned beekeeping business based in Latvia and currently developing a new sustainable product: reusable beeswax bread bags, made from natural materials.

The details and specifications of the product are as specified below:

100% cotton printed fabrics suitable for beeswax coating, with the following requirements:

- 100% cotton (preferably plain weave / poplin / percale)
- Printed fabrics in warm, natural colour tones (olive green, brown, beige, muted food or botanical motifs, dots, stripes)
- Suitable for food-related products
- Certified fabrics (OEKO-TEX® Standard 100, GOTS, or equivalent)
- Availability of technical specifications and certificates
- Possibility to order samples and information about minimum order quantities (MOQ)

Interested members may kindly fill up the enclosed form ([click here](#)) latest by 9th March 2026.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
