Sub: Restoration of RoDTEP rates and value caps

Dear Madam / Sir,

DGFT has issued Notification No. 66/2025-26 dated 23rd March 2026 ([copy enclosed](#)) regarding the restoration of RoDTEP benefits.

As per the notification, the RoDTEP rates and value caps have been restored to the levels applicable as on 22nd February 2026. Accordingly, exporters will be eligible to claim RoDTEP benefits at these restored rates for all eligible export products for the period 23rd February 2026 to 31st March 2026.

This notification also supersedes Notification No. 60/2025-26 dated 23rd February 2026 and the Corrigendum dated 24th February 2026, under which RoDTEP benefits were restricted to 50%.

In effect, the earlier restriction of 50% on RoDTEP benefits has now been withdrawn, and full benefits as applicable on 22nd February 2026 are reinstated for the above period.

We wish to inform you that the Council had taken up the matter with the Government, highlighting the difficulties faced by exporters due to the reduction in RoDTEP rates & value caps and had requested restoration of the earlier rates and value caps along with their continuation in the next fiscal year.

Members are advised to take note and plan their export documentation and claims accordingly.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
