Sub: Providing Shipment Information: India-UK CETA

Dear Madam / Sir,

This is with reference to our earlier communication regarding the operationalisation of the India-UK Comprehensive Economic and Trade Agreement (CETA).

You are hereby informed that, as per the latest updates, the Agreement is now expected to come into force tentatively in mid-April 2026 or by the last week of April 2026, instead of 1st April 2026 as previously anticipated.

In this regard, you are requested to share details of shipments to the UK that are expected to arrive before the Agreement comes into force, so that the Government can review them, extend preferential benefits to Indian exporters, and ensure smooth implementation of the India-UK CETA.

Members are requested to submit the above information through the link: <https://forms.gle/W8Xw268dWxDt3q66>

Further Advisory:

- The exact date of implementation is awaited from the authorities and will be communicated once notified.
- Shipments may be planned cautiously, keeping in view the tentative timeline and pending formal notification.

You are requested to treat this as important and extend your cooperation. We shall keep you informed of further developments.

Your timely response will help in consolidating the data and facilitating smooth implementation of the Agreement.

We solicit your cooperation in this matter.

Regards,

**Dr. Siddhartha Rajagopal**  
Executive Director
