

E-Serve No.: 124 of 2026 | Date: April 02, 2026

Sub: RBI Trade Relief Measures for Exporters – Extension of Export Realisation & Credit Period

Dear Madam / Sir,

RBI has issued Press Release dated 31st March 2026 ([copy enclosed](#)) announcing continuation and extension of certain trade relief measures for exporters in view of ongoing geopolitical uncertainties and logistical disruptions.

Key Highlights:

1) Extension of Export Realisation Period

RBI had earlier vide its Press Release dated 14.11.2025 extended time period for realisation and repatriation of export proceeds from 9 months to 15 months from the date of export, this relaxation continues to remain in force and exporters may continue to avail the benefit in accordance with the existing guidelines.

2) Extension of Export Credit Period

· The enhanced period for realisation of both pre-shipment and post-shipment export credit stands at 450 days.

· This benefit, earlier available for disbursements up to 31st March 2026, has now been extended till 30th June 2026.

These measures are aimed at providing relief to exporters facing delays in shipments, payments, and logistics due to the prevailing global situation, particularly disruptions arising from the West Asia crisis.

You are advised to take note of the above relaxations and plan your export operations and financial arrangements accordingly.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
