

E-Serve No.: 140 of 2026 | Date: April 11, 2026

Sub: Auto Trans-shipment of SEZ-bound Cargo at Gateway Port/Airport

Dear Madam / Sir,

With a view to facilitate the digitization of manual processes, CBIC has issued Advisory No. 18/2026 dated 8th April 2026 ([copy enclosed](#)) implementing the system of auto trans-shipment of SEZ-bound cargo from Gateway Ports/Airports. This initiative is expected to significantly reduce dwell time and demurrage at ports.

Key Highlights:

1. Auto Generation of Trans-shipment (TP):

After the Bill of Entry (BoE) is assessed, the system will automatically generate the Trans-shipment (TP). A copy of the same will be sent to the registered email ID.

2. No Manual Approval Required:

With the introduction of the auto-TP feature, manual approval by officers is no longer required.

3. Simplified Goods Registration:

TP is not required at the time of goods registration. Once goods are registered, the TP copy (including IRN No. and DOC Code) will automatically appear under the supporting documents.

You are advised to take note of the above changes and align your processes accordingly.

In case of any difficulties or issues:

- For Officers: saksham.seva@icegate.gov.in
- For Trade: icegatehelpdesk@icegate.gov.in

Regards,

Dr. Siddhartha Rajagopal

Executive Director
